RE: Bell Lincoln Multicultural Modernization Project

Dear Mr. Stone,

Banker Steel Company, LLC should be proud of the efforts and professionalism displayed in the construction and completion of the Bell Lincoln Multicultural Modernization Project. Because of the efforts of Banker Steel and other project team members, this project was completed on time and with exceptional quality thus allowing the students to utilize the new facilities in accordance with DC Public School's schedule. During the course of the project Banker Steel and its employees displayed professionalism and a teamwork attitude.

Because of these efforts, Manhattan Construction Company looks forward to participating in future projects including Banker Steel as a team member.

Respectfully,

Manhattan Construction Company

  
Philip Mack  
Project Manager
